Welcome Back

We hope everyone had a great summer! It really seems to have flown by. As we welcome you back to a new school year, we are excited for all that Bright Key® will be bringing to Selma Street this year. Including the grand opening of the Academic Dream Room! The date will be announced in a flyer that will come

home in your child's conduct folder. This also means that the tutoring program will be starting this fall so we are looking forward to that as well. We hope that you will attend the grand opening or stop in and check it out the next time you are at the school.

Mark Your Calendar

September 29

Grand opening of the Academic Dream Room

August 31 & September 1

Volunteer orientations

September 22

Volunteer Training at 5:30 p.m.

TBA

Donuts with Dads (K-1st)

TBA

Muffins with Moms (K-1st)

Get Involved

How? Stay informed of all Bright Key® happenings, and events by looking for information that is sent home in your child's conduct folders on Wednesdays. You can also take a minute to 'LIKE' our Facebook page at: <https://www.facebook.com/BrightKeySelmaStreet>. There is information and pictures posted here weekly!

We are always needing help on many levels from parents and the community, whether it's in the Dream Room or helping to organize an event. There are many ways to help even with a busy work and family schedule. If you have any questions, please call the school and ask for the Mrs. Campbell or email her at jennifer@brightkeywiregrass.org.

Get out the gardening gloves...

Tutoring will begin this year with the opening of the Academic Dream Room. Volunteers are signing up to be tutors and there will be a training the end of September. Stay tuned for more information.

Service Learning Program will continue as it did all last year. We will kick this off in September and partner with an organization each month that is needing help. Flyers will come home each month to announce what the project is as

well as postings and pictures on the Bright Key® Facebook. Please try to participate if you can and talk to your child about the importance of giving back to our community.

JUST IN!! Bright Key® Selma Street will also implement a new program for this school year...Gardening/Outdoor Classroom!

We are very excited about this program and more information will be sent home and posted on the Bright Key® Facebook.
